

Terms & Conditions of the Metabase Ltd Forex referral program

By referring someone or by being referred, you agree to the terms and conditions of the program as defined by Metabase Ltd.

The conditions of the program are as follows:

- Both the referrer and the referred client can receive referral bonuses in their Forex accounts.
- The referral bonus will only be awarded if all the following conditions are met:
 - The account opened by the referred client must be a Forex account with a minimum deposit of \$3,000.
 - To make the referral valid, the client must register their account using the referrer's referral link.
 - The account opening documents of the referred client (including a certified true copy of an identity document) must be properly filled out and fully verified.
 - Once the referred client has traded at least 10 lots and completed the required number of trades within 14 business days, the referral bonus will be credited to both the referrer and the referred client's cash wallets. If trade credits are requested, they will be credited to both the referrer and the referred client's trading accounts.

The referral bonus for the referrer is as follows:

- If the minimum deposit of the referred new client is at least \$3,000, the referrer's bonus is \$100.
- If the minimum deposit of the referred new client is at least \$5,000, the referrer's bonus is \$300.
- If the minimum deposit of the referred new client is at least \$10,000, the referrer's bonus is \$500.

The referral bonus for the referred client is as follows:

- If the minimum deposit of the referred new client is at least \$3,000, the referred client's bonus is \$100.
- If the minimum deposit of the referred new client is at least \$5,000, the referred client's bonus is \$300.
- If the minimum deposit of the referred new client is at least \$10,000, the referred client's bonus is \$500.
- The referral bonus is only valid for Forex and CFD products traded electronically on the cTrader platform, either through a computer or a mobile app.

Beneficiaries of the program:

- This program is only aimed at private clients who have a Forex account with Metabase Ltd.
- This program is not available to managed clients, clients who have been introduced by an introducing advisor and companies.

General information:

- The program is not available in the United States or to US Persons or to persons who are not entitled to access this program as a result of specific laws in their country of residence.
- The program is open subject to availability.
- Metabase Ltd reserves the right to amend, extend, shorten or cancel the program at its sole discretion, at any time, without notice and without its liability being incurred.
- No correspondence will be entered into regarding this program. No legal recourse is possible.

By participating to the program, the referrer and the referred client consent that both parties will be informed directly or indirectly of the opening of accounts with Metabase Ltd, and of some deposits and trading activities related to the fulfilment of conditions of the program.

Referral Bonus:

The Referral Bonus is a virtual amount of a variable value, available on the Forex account. When an electronic transaction is made, fees and rebate relating to the transaction will be automatically deducted from the available Referral Bonus.

The Referral Bonus cannot be returned, exchanged or converted into cash and is valid for a limited period only. It will be removed from the account on its expiry, even if it has not been entirely used.
